DISINFECTANTS

CONCENTRATED

ARROW SANITIZER/DISINFECTANT CLEANER - #150 USDA - D2

Effective and economical, this quaternary liquid is odorless, non-staining and non-caustic. This product is great for mold and mildew clean-ups, food service, tanning beds, door knobs, handles, telephones, toilet seats and other contaminated surfaces. Can be used in a 3rd sink in manual dishwashing operations.

FRESH & CLEAN NEUTRAQUAT - #253

Neutral pH disinfectant cleaner and deodorizer. Excellent all purpose cleaner.

LEMON NEUTRAQUAT - #252L

Fresh lemon scented, pH neutral disinfectant cleaner and deodorizer. Perfect for flood damage and mold and mildew remediation.

MINT QUAT DISINFECTANT - #252M

Broad spectrum bactericide effective against a wide variety of microorganisms. Clean and disinfect in one step.

SUPERCIDE - #444

Hospital-type cleaner, disinfectant, deodorizer, virucide and fungicide. Great for hospitals, food service, schools and more.

PINE QUAT DISINFECTANT - #251P

Cleaner, disinfectant and deodorizer with a pleasant pine fragrance.

PINE-O-SAN PINE OIL DISINFECTANT - #395

USDA - C1

Excellent disinfectant cleaner with all the benefits of natural pine oil.

FACILITY DISINFECTANT CLEANER - #250

This product kills germs, odors, mold and mildew. Effective against H1N1, MRSA, CA-MRSA, Hepatitis B, Hepatitis C and much more. Outstanding veterinary claims. Ideal for all types of facilities.

Our Newest Product @ CAG Federal

Our most concentrated, neutral, ONE STEP cleaner, disinfectant, mildewstat, fungicide, virucide and deodorizer. **AROMAX 256 - #256** kills 99.9% of germs in your environment with only 1/2 oz. per gallon of water!

READY TO USE

CREAM BOWL CLEANER - #441

READY TO USE

Disinfectant toilet bowl cleaner. Instantly dissolves rust, scale and lime. Essential in hard water areas. High acid content.

ACTIVE PORCELAIN CLEANER - #446

READY TO USE

Hydrochloric acid cleaner, deodorizer and disinfectant. Great for toilet bowls, urinals, tubs, sinks, shower tile and ceramic tile.

FORMULA 442 - ACID FREE DISINFECTANT BATH & KITCHEN CLEANER - #442

READY TO USE

Our most popular ready to use, one-step disinfectant cleaner. This hospital-type disinfectant is effective against HIV-1, Tuberculosis, Parvovirus and much more.

DISINFECTANT WIPES - #174

READY TO USE

This antibacterial formula cleans, disinfects and deodorizes in one easy step. Disinfectant Wipes are virucidal, tuberculocidal, bactericidal and pseudomonocidal. Quick and easy to use, this hospital type disinfectant does not contain bleach or alcohol. Incredibly versatile and may be used to clean, disinfect and deodorize hard, non-porous surfaces.

HANG TIME FOAMY DISINFECTANT - #443

READY TO USE

Produces rich and clingy foam. Effective for cleaning shower rooms and other hard surfaces. Pleasant orange fragrance.

TAKE-ONE DISINFECTANT - #439

READY TO USE

Clean, disinfect, and deodorize in one easy operation. This product does it all. Take one cleaner for ALL jobs--even glass! Dye & fragrance free.

RESTROOM, MOLD & MILDEW CLEANERS

RESTROOM CLEANERS

NO ACID BOWL CLEANER - #440

A versatile non-acid cleaner that is safe on all restroom surfaces.

AROPHOS - #448

A thickened, 20% phosphoric acid cleaner designed to cling to vertical surfaces. Great on shower walls, toilets, urinals and more. Cherry fragrance.

MULTI-ZYME SUPER DIGESTANT - #436

This product has endless uses! A multi-purpose enzymatic cleaner. It's a special blend of enzyme producing bacterial cultures and biodegradable surfactants. Extremely effective in odor control and degrading organic waste. Digests proteins, fats, oils, grease, starches, hair, vegetable gums, and other organic waste. Eliminates odor at the source. The perfect solution to pesky fruit flies!

Uses: drains, sinks, grease traps, showers, instrument presoak and cleaner, sewers, lift stations, carpet and upholstery, fabric, lagoons, pet stains and more!

DEODORIZERS

AROLIMINATOR - #437

Highly concentrated odor counteractant. A versatile water soluble deodorizer. Leaves a fresh, natural, long-lasting fragrance.

UPSET ABSORBENT - #172

Quickly absorbs and deodorizes vomit, pet waste and other unpleasant spillage. Makes clean-up quick and easy. Essential in schools, child care facilities, nursing homes and more.

NON-PARA 4oz. DEODORANT BLOCKS - #415

New para-free formula. Cherry scented eco-friendly urinal blocks. Lasts up to 1,000 flushes.

FRESH BREEZE DEODORANT - #433 & SPRING FRESH ODOR NEUTRALIZER - #435

READY TO USE

Safely eliminates tough odors such as smoke, pet odors, musty odors and more.

CONCENTRATED LEMON DEODORANT - #434

Use in carpet cleaning solutions, mop water, as an air spray, or for general deodorizing. Eliminates malodors instantly!

TILE & GROUT CLEANERS

CLEAN UP with BLEACH - #141

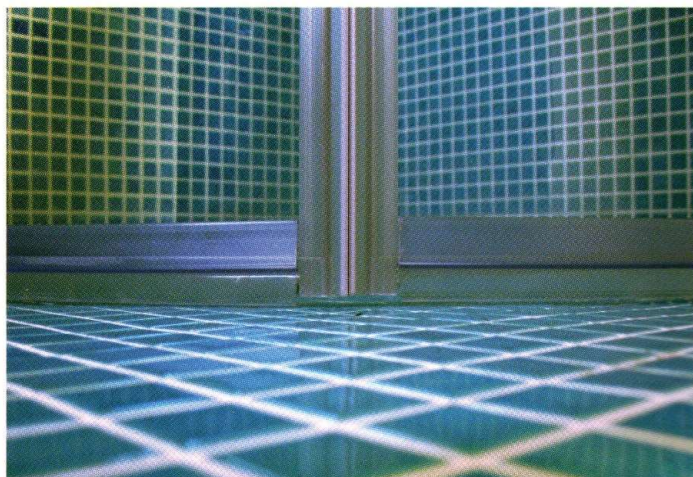

Formulated to tackle and deodorize tough stains, grease and dirt. Perfect for tile and grout and other hard surfaces not harmed by bleach.

PRO CLEANER - GROUT & GRIME - #447 FOR PROFESSIONAL USE ONLY

Super heavy duty grout cleaner, formulated with 45% phosphoric acid.

SCUM REMOVER & BRIGHTENER - #254

Excellent shower room cleaner. Easily cuts through soap scum, dirt, mold and mildew. Use to clean and remove algae, mold and moss from outdoor furniture, decks, roofs, fences and more.

FLOOR CARE

FLOOR FINISHES

UHS ADVANTAGE - #299

An easy to use, high gloss, super durable finish that offers outstanding scuff resistance - Ideal for high traffic floors. High "off the mop" gloss. Quick drying formula. Superior burnishing response.

STANDARD - #307

A long-wearing high gloss finish for all resilient flooring, terrazzo, and hard tile surfaces. Black mark and detergent resistant, quick drying. Recommended for high traffic areas with low maintenance budgets.

POLY-ON - #280

18% emulsion polymer finish. Self-polishing, scuff resistant, brilliant luster, long wear. Fully transparent, will not discolor, may be spray buffed.

INDUSTRIAL - #308

Long-wearing high gloss finish for all resilient flooring, terrazzo, and hard tile surfaces. Black mark and detergent resistant, quick drying. Excellent leveling properties and slip resistant.

ARMORCOTE 25% - #309

The ultimate floor finish. A 25% solids, metal cross-linked, polymer finish makes floors look wet even when dry. Offers superior protection and durability. Black mark, detergent & water resistant. Most suited for high traffic areas. Slip resistant and self leveling.

OUTSHINE 25% - #317

A technologically advanced sealer and finish designed for ultimate gloss, clarity and durability. This optically enhanced formula is the easiest finish you'll ever apply. It's quick drying, easy to maintain and repair. OutShine 25 resists scuff marks and scratches and is slip resistant.

TWINKLE - #013

A zinc-free, APE-free, slip resistant, durable finish & sealer with great "off the mop" gloss. Fast drying, self leveling and environmentally compliant. Ideal for use as a low maintenance floor finish.

SPECIALTY SEALERS & FINISHES

FLOOR SEALER - #276

Provides an excellent base before applying floor finish. Floor Sealer protects your floors for years.

GREAT FOR CONCRETE FLOORS

STONE CARE - SPRAY & SEAL - #420

A water-based, penetrating sealer that protects natural stone surfaces from staining. Forms an invisible water and oil repellent barrier, yet it allows the stone to breathe.

GREAT FOR COUNTERTOPS, FLOORS, WALLS & GROUT

POLYTHANE for WOOD FLOORS - #301

Water-based acrylic and urethane co-polymer. Easy application, minimal drying time, maximum shine and durability. Easy to strip and repair.

GREAT FOR GYMNASIUM FLOORS

AROTHANE SEALER & FINISH - #300

Urethane and acrylic blend that offers superior gloss and durability. Easy to apply, maintain, recoat and strip.

GREAT FOR CONCRETE FLOORS

FLOOR STRIPPERS

AMMONIATED STRIPPER & CLEANER - #310

Fortified with commercial ammonia for effective cleaning and wax stripping.

NO RINSE WAX STRIPPER - #312

Powerful formula that cuts through layers of old finish in minutes and cuts labor time in half! No rinsing necessary.

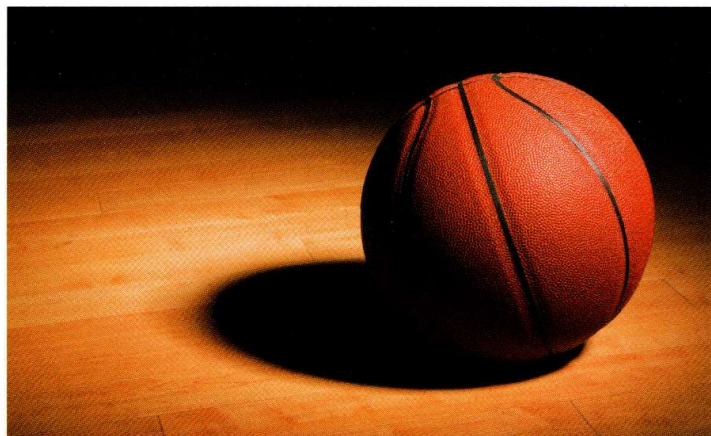

ALL STRIP - #014

Low odor, non-toxic, non-corrosive, non-butyl floor sealer and finish stripper. Dissolves multiple coats without harsh alkalies.

ZIPITY STRIP - #313

An extremely aggressive product developed to quickly strip multiple coats of burnished finish from resilient tile floors. Works with hot or cold water and usually requires no scrubbing.

FLOOR CARE

FLOOR MAINTENANCE

BANA OIL MOP TREATMENT - #197

Mop treatment formulated to quickly lift dust and dirt.

CLEAN BRITE SOAP & WAX - #255

A concentrated soap and wax combination. Developed for facilities that have limited cleaning time. Cleans and leaves surfaces with a light wax sheen.

FLOOR & CARPET NEUTRALIZER - #314

Designed to remove alkaline residue from resilient tile and other surfaces after stripping. Easily removes ice melt and rock salt residue from floors and carpets and prevents brown-out.

LEMON DAMP MOP - #242

A super concentrated, lemon scented neutral cleaner. Especially designed to clean acrylic floor finishes, marble and granite. This no rinse cleaner can be used to clean any surface that is not harmed by water. Great all purpose daily cleaner.

FLOOR REVITALIZER - #304

A concentrated, cleaner and re-coat in one. Cleans and enhances coating for a brilliant "wet look" shine.

GREAT FOR RUBBER FLOORS

REBUFF - #306

A thermally activated re-laminator that repairs scuffs, scratches and abrasions. It extends, cleans and rejuvenates your base coat. Restores the "wet look."

SURE FOOT QUARRY TILE CLEANER - #244

Highly concentrated cleaner degreaser for quarry tile and concrete floors. Eliminates grease build up that can cause slippery floors. The acid penetrates the tile and returns the porous condition and natural slip-resistance to quarry tile.

Did you know?

SWEEPING COMPOUND

CLEAN SWEEP - #175

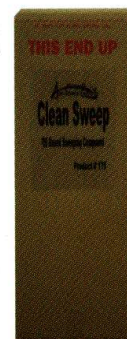

Oil based, no grit, sweeping compound designed for use on unwaxed floors. Made from uniform northern wood fibers compounded with A-1 grade paraffin oil. Tops in quality and performance.

WAX SWEEP - #185

A sweeping compound processed with a special type of wax formulation that coats the wood fiber for maximum absorption of dust and soil. It should not be confused with ordinary water wax compounds of inferior grade. Safe on all floors. Particularly designed and recommended for composition tile.

POWDERED FLOOR CLEANERS

BROWN CONCRETE CLEANER - #230

USDA - C1

Powdered cleaner that enetrates, loosens and emulsifies deeply embedded soils.

YELLOW CONCRETE CLEANER - #226

USDA - A4

Heavy duty concrete cleaner. Easily dissolves grease, oil and dirt. Contains caustic soda for extra cleaning power.

KLENZ-ALL - #210

Powerful, powdered, all-purpose cleaner. Economical--you supply the water.

LEMON FRESH LAUNDRY POWDER - #477

USDA - A1

A concentrated and economical lemon fresh powder. Designed for fabrics, this product is mild on floors while it lifts stains. Chef's choice for cleaning kitchen floors.

FOOD SERVICE & PROCESSING

AUTOMATIC WAREWASH

SOLID BULLET DISH MACHINE CAPSULE - #108

Super concentrated, dish machine capsule.

BOWL TYPE SYSTEMS

POWDERED DISH MACHINE CAPSULE - #111

Highly concentrated. Cleans grease and hardened soils easily.

BOWL TYPE SYSTEMS

CHLORINATED LIQUID MACHINE DISH - #112

Cleans grease and hardened soils from dishes, glasses and silverware. Removes stains and prevents mineral build-up.

INJECTOR TYPE DISH MACHINES

RED DETERGENT - #109 \$

Liquid dishwashing detergent, tough on grease and baked on stains.

INJECTOR TYPE DISH MACHINES

RINSE - ALL TEMPERATURE - #116

Concentrated. Eliminates water spots and streaks. Excellent sheeting properties.

ALL TYPES OF AUTOMATIC DISH MACHINES

CHLORISAN - #113

USDA - D2

Concentrated liquid chlorine sanitizer. Can be used on food processing and dairy equipment.

INJECTOR TYPE DISH MACHINES

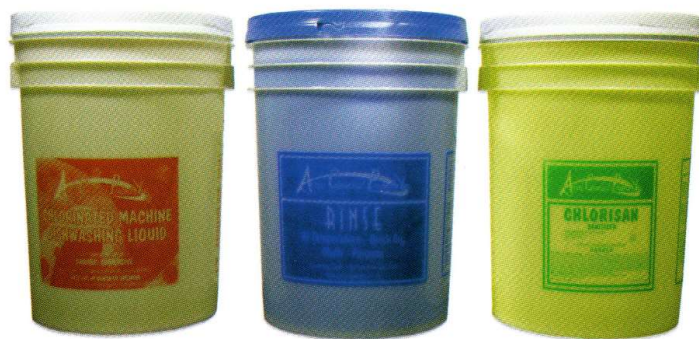

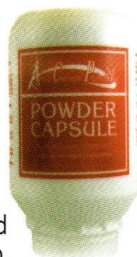

ARO MACHINE DISH POWDER - #105

Leaves dishes and glassware sparkling clean and bright without spots or streaks.

SUPER MACHINE DISH POWDER - #110

USDA - A1

Chlorinated to keep stains from depositing on dishes. Specially formulated for hard water areas.

HAND DISHWASH POWDERS

ECONOMY HAND DISHWASH POWDER - #125 \$

Heavy duty, economical, manual dish powder. Great for pots and pans.

SILVERWARE PRESOAK POWDER - #126

Soak away stubborn soils with this heavy duty powder.

STATE PREMIUM HAND DISHWASH - #130

Excellent for hard water areas. Penetrates and removes soil fast and completely. Leaves dishes bright and sparkling clean. Mild on hands.

HAND DISHWASH LIQUIDS

BB BUBBLES HAND DISHWASH - #165

USDA - A1

Concentrated liquid for hand washing dishes. Can also be used as a general cleaning agent on all surfaces. Mild on hands with rich lasting suds.

BLUE DIAMOND PREMIUM - #161

Aggressive on dishes, gentle on hands. This free rinsing dish liquid will dissolve grease, making clean-up easy.

EMERALD DISH - #169

Excellent grease dissolving power. Provides long lasting, stable suds. Free rinsing - never streaks or spots. Contains emollients to protect and condition the hands.

JEM - #160 \$

A concentrated detergent for cleaning pots and pans. Gentle on the hands.

PINK LOTION - #167

USDA - A1

Top quality, lotionized dish washing liquid. #1 choice for grease dissolving power.

PINK SUDS - #166

Provides long lasting suds. Leaves pots, pans, dishes and glassware sparkling clean.

SILVERWARE PRESOAK - #114

USDA - A4

Heavy duty detergent. Easily soaks away stubborn soils.

SUNSHINE with LEMON BURST CONCENTRATED DISH LIQUID - #162

USDA - A1

Sunshine Dish with a fresh lemon burst fragrance leaves your dishes sparkling clean! This super concentrated formula provides long lasting sudsing power that quickly cuts through the toughest grease. Tough on dishes while gentle on your hands.

GLASSWARE CLEANERS

ARODIP - #140

Liquid concentrate for use in the first sink of a manual cleaning operation. Leaves glasses sparkling clean.

LO-SUDS - #146

Special detergent for use in electric brush-type glassware cleaners. Cleans glasses without excessive suds.

FOOD SERVICE & PROCESSING

KITCHEN CLEANERS

D-F FRY & GRILL CLEANER - #138

USDA - A8

Special cleaner formulated for cleaning deep fat fryers, grills, rotisseries, barbecues, etc.

KUTS DEGREASER - #135

USDA - A1

This liquid concentrate easily KUTS grease. Removes carbon and soil accumulation in vents, hoods, stoves, ovens, floors, walls, etc. Easily penetrates baked on grease and kitchen soils.

STAINLESS STEEL POLISH - #170

USDA - A7

Cleans, polishes and protects. Easily removes old wax, fills in minor scratches and leaves a beautiful glisten to metal surfaces.

DELIMER - #115

Removes iron, rust, mineral deposits and lime from dishwashers, ice machines and other equipment exposed to extreme temperatures.

SCALE, LIME & RUST REMOVER & BRIGHTENER - #115E

USDA - A3

A concentrated blend of acid and detergent designed to tackle tough jobs. This product will clean and brighten aluminum, magnesium, stainless steel, copper, and chrome.

FOOD SURFACE SANITIZERS

SANI-TABS - #148

USDA - D2

Multi-purpose sanitizing tablets. Can be used in trigger sprayers, food processing equipment and all hard, non-porous surfaces. One tab per 1.5 gallons.

SANI SPRAY - #151

READY TO USE; USDA - D2

Eliminates 99.999% of bacteria* in 60 seconds! Developed for food service establishments, schools, institutions, bars, restaurants and cafeterias to sanitize hard non-porous, surfaces without rinsing. (* Refer to container label)

ARROW SANITIZER - #150

USDA - D2

This quaternary liquid is odorless, non-staining and non-caustic. Authorized for use in federally inspected meat and poultry plants. Super concentrated -- 1 gallon makes 512 gallons of ready to use solution! Can be used in a 3rd sink in manual dishwashing operations.

IODINE SANITIZER - #149

USDA - D2

Low foaming, broad spectrum germ killing action. Perfect for bar glass washers.

FOOD PROCESSING

CHLORINATED FOAMING DEGREASER - #142

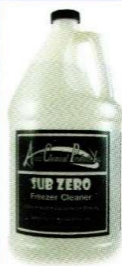

USDA - A1

Super concentrated, heavy-duty, high foaming, chlorinated cleaner designed for food processing equipment, floors and walls. No dyes, perfumes or VOC's.

SUB ZERO FREEZER CLEANER - #134

An aggressive, ready-to-use, floor, wall, and equipment cleaner to use in sub-freezing, freezer, and cold storage areas. This product removes dirt, grime, fat, and grease deposits from hard surfaces. Will not harm concrete or leave a slippery residue. Aids in melting existing ice formations.

DRAIN & GREASE TRAP CARE

FAST ACTION DRAIN OPENER - #505

Powerful, ready-to-use liquid that quickly dissolves obstructions caused by hair, grease, paper and other organic matter. Use only to open drains.

MULTI-ZYME SUPER DIGESTANT - #436

USDA - L2

Active enzymes degrade organic waste naturally. Use directly in drains or grease traps to break down waste and eliminate odors at the source. Auto-dose dispensing available.

HAND & BODY CLEANERS

BULK DISPENSER TYPE

TOTAL BODY WASH - #367

Produces rich, mild suds. Ideal for showers, locker rooms and health clubs.

ARROW CARE - #364

This all purpose hand and body shampoo produces mild, pH balanced suds leaving a pleasant coconut fragrance. Ideal for showers, locker rooms and health clubs.

JEWEL - #362

Economical, pH balanced and formulated with mild synthetic cleaners. Removes dirt and grime quickly while leaving your hands fresh and clean.

MEDI-SOAP

ANTIBACTERIAL - #366

USDA - E4

An antiseptic hand cleaner formulated with mild synthetic detergents. It gently cleanses the hands and leaves them germ free.

PINK CRÈME HAND SOAP - #363

Super concentrated, thick pink soap with special emollients to soothe tender skin.

PINK PEARL HAND SOAP - #361

Thick, pearly, pleasantly scented skin cleaner. Leaves skin fresh and clean.

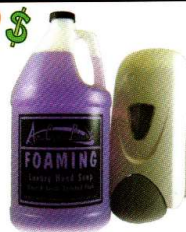

FOAMING HAND CLEANERS

FOAMING LUXURY HAND SOAP - #369

Combines with the dispenser to create a powerful, money saving cleaning system. Creates a rich, gentle luxurious lather.

FOAMY HAND SOAP - #353

1000 mL bag style, with a mild tropical fragrance, making it appealing and convenient to use.

FOAMY ANTIBACTERIAL HAND SOAP - #354

USDA - E4

Bag style, antibacterial hand soap. Just one push of the dispenser produces a rich, creamy foam. Economical and antibacterial. It's not just a fad... It's the future.

HAND SOAP DISPENSERS

REFILLABLE HAND SOAP DISPENSER - #9331

USE WITH ANY GALLON HAND SOAP

REFILLABLE FOAMY SOAP DISPENSER - #9325

USE WITH FOAMING LUXURY HAND SOAP - #369

BAG FOAMY DISPENSER - #9441

USE WITH: FOAMY HAND SOAP - #353 & FOAMY ANTIBACTERIAL HAND SOAP - #354

BAG IN BOX 800mL DISPENSER - #9950

USE WITH ANY BAG IN BOX TYPE HAND CLEANERS

Did you know?

According to the Center For Disease Control & Prevention, the most effective way to prevent the flu is by frequent and proper hand washing

HEAVY DUTY HAND CLEANERS

ROYAL BORAX HAND SOAP - #320

USDA - C2

Powerful hand cleaner. Removes grease and grime. Free flowing.

COCONUT HAND SOAP - #360

USDA - E1

Fortified with coconut oil. Cleanses hands leaving them fresh and clean.

TIGER PAWS PUMICE HAND SOAP - #368

Aggressive hand cleaner formulated with grit to remove the most stubborn industrial soils.

800 mL BAG-IN-BOX TYPE

ARO-CIDE ANTIBACTERIAL LOTION SOAP - #350

USDA - E4

Gently cleanses the hands and leaves them germ free.

ARO-SAN INSTANT HAND SANITIZER - #351

USDA - E4

Kills 99.9% of 8 important organisms in 15 seconds or less without using water.

ARO-SOFT PINK LOTION SOAP - #352

USDA - E1

A thick, pearled, pink hand soap formulated with emollients to help soften the skin.

SPECIALTY PRODUCTS & ASSORTED ITEMS

FURNITURE POLISH

LEMON OIL POLISH - #385

Professional strength, oil-based formula. Cleans, polishes and protects in one easy operation. Use on all fine furniture and woodwork. Works great on paneling, Formica®, vinyl, cabinets, desks, fiberglass, and metal.

LONDON POLISH - #370

A unique cleaner and polish that protects and seals. It produces a hard brilliant luster. Removes old wax build-up, conditions and moisturizes fine woods with natural lemon oil. Use on all fine woodwork and other polishable surfaces. Try it on leather and vinyl!

BULK CHEMICAL PROGRAM

Imagine no more drums, pails or plastic bottles to dispose of or send to landfills!

We are continuously working to provide cost-effective alternatives to the ordering and storing of maintenance, cleaning and process detergent products. Our bulk systems can save as much as 40% in detergent consumption and take up only as much space as a normal warehouse pallet.

PRIVATE LABEL & CUSTOM BLENDING:

The bulk concept was developed to solve the problems of each individual customer. When it comes to industrial-oriented environments, Arrow Chemical Products Bulk Division does not believe in "one size fits all" and work with our distributors and their customers to formulate exclusive, industrial-effective products. Without the need for marketing, packaging and high-volume minimums, we are able to focus on each customer and tailor specific products and systems to their own needs and develop products that work within any budget.

COST SAVINGS:

By using tote-filled, bulk cleaners, you save by:

- Reducing detergent consumption by 40% using our accurately, premeasured dispensing system with just "the push of a button."
- Speedier filling of buckets & scrubbers with pre-mixed solutions
- Taking advantage of special long term pricing agreements
- Using less purchasing employee time to re-order
- Decreasing shipping/receiving dock attendant time

CONVENIENCE:

For your convenience, automatic, "just-in-time" refill scheduling can be established, allowing you to have the necessary cleaners delivered on a regular basis, as needed.

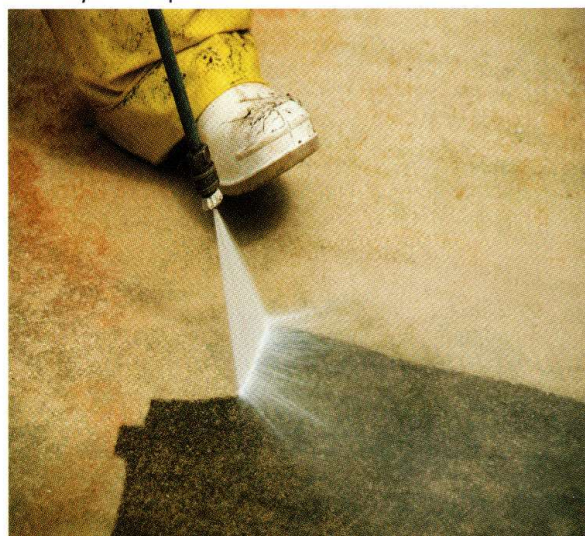

DECREASED LABOR:

Our refill delivery systems operate in the same manner as any bulk oil or chemical delivery. Our delivery professionals pump directly to the tote and don't normally require the use of your lift trucks or shipping/receiving dock or attendants, allowing their time to be used in a more profitable manner.

GOING GREEN:

Our work with distributors and their customers in the development of these types of systems and the cleaners required for compliance has often resulted in zero discharge of process waters and a significant reduction in classified or hazardous waste residue. By significantly reducing classified and hazardous waste residues, manifesting, government inspection and personal liability are kept to a minimum.

Products Specially Designed For:

PARTS WASHING
AUTOMATIC SCRUBBERS
PRESSURE WASHING
VEHICLE & AIRCRAFT
HARD SURFACES
WASTE WATER
PROCESS FLUID RECYCLING PROCESSES
