

CAG Federal Green Cleaning Products Line provides industry with products that "do the job" while reducing environmental impacts and health risks to cleaning professionals and building occupants.

AroBrite Liquid Laundry Detergent

This highly concentrated, heavy duty laundry detergent removes stubborn dirt and stains. No need for presoaking in other powders, liquid or spray products.

Product #476

CITRUS DEGREASER

This cleaner-degreaser is environmentally safe and USDA approved. Its aggressive cleaning abilities come from d-Limonene, a by-product of citrus fruits and is safe for virtually any surface. This product is both economical and earth friendly.

Product #248

Sunshine Dish with Lemon Burst

Sunshine Dish with a fresh lemon burst fragrance leaves your dishes sparkling clean. Super concentrated allowing greater dilution with the same sudsing power that quickly cuts through the toughest grease.

Product #162

Sweeping Compound

Made from uniform northern wood fiber and natural oils.

Product #'s 175 & 185

Ready to use ...

Spot, Stain & Odor Remover

Easy to use, all-purpose enzymatic carpet & upholstery spotter. Lifts stains and destroys odors.

Product #432

OxyPower

An aggressive stain remover, color brightener, deodorizer, mold and mildew remover. Mix OxyPower into a thick paste for cleaning tile and grout.

Product #499

Upset Absorbent

Instant deodorizing absorbent for accidental mishaps. Instantly smothers any unpleasant odor and makes cleanup quick and easy by brushing or sweeping into a dustpan. Can be applied to all types of surfaces including carpet. This deodorizer reduces the cleaning professional's exposure to blood borne pathogens and other potentially contagious germs.

Product #172

Multi-Zyme is a special blend of enzyme producing bacterial cultures and biodegradable surfactants with a tested pH of 7.1. Multi-Zyme is effective in odor control and degrading organic waste.

Product #436

ECO Orange Auto Scrub Cleaner & Degreaser

Instantly penetrates and emulsifies grease, oil, dirt, and grime. This product is a great all-around low foaming cleaner.

Product #688

INTRODUCING

responsible • reliable • renewable

Planet Care cleaning products provide industry with products that "do the job" while reducing environmental impacts.

GLASS & SURFACE CLEANER

Cuts through smoke, grease and grime. Polishes surfaces, anti-fogging and antistatic. Use on glass, mirrors, appliances, Plexiglas, computer screens, Lucite, plastic, counters, windshields and other hard surfaces. **Product #012** – 4/2 Liters per Case

pH NEUTRAL DAILY CLEANER

No rinse all- purpose cleaner, leaves no film or residue. Use to clean and enhance all washable surfaces. Meets Green Seal's environmental standard for industrial and institutional cleaners. **Product #010** – 4/2 Liters per Case

CITRUS H202

Is great for use on floors, carpet care, auto scrubbers, tile & grout, glass, outdoor furniture, stainless steel, painted surfaces, and it makes a great spray & wipe cleaner. This product breaks down grime while adding oxygen micro-bubbles to lift stains oxidize soils and destroy odors. It's safe to use, readily biodegradable, and environmentally preferable.

Product #246 - 4/2 Liters per Case

AC/69

You've tried the rest – now try the best! This super concentrate can be used on carpets, upholstery, leather, vinyl, plastic, industrial machinery, equipment, boats, RV's, kitchens, car interiors, and all of your washable surfaces.

Product #069- 4/2 Liters per Case

ALL STRIP GREEN FORMULA

Low odor, non-toxic, non-corrosive, and non-butyl floor finish and sealer remover. Fast acting stripper dissolves multiple coats of finish without harsh alkalies or a strong odor.

Product #014 - 4/2 Liters per Case and 5 Gallon Pails

TWINKLE

Is a zinc free, APE-free, slip resistant, durable Finish & Sealer with great "off the mop" gloss. Twinkle is fast drying, detergent & black mark resistant, self- leveling and environmentally compliant. It's ideal for use as a low maintenance floor finish. This product complies with the stringent requirements put forth by the leading environmental agencies.

Product #013 - 4/2 Liters per Case and 5 Gallon Pails

Planet Care Products for Bulk Deliveries 150, 275 or 330 Gallon Totes

GREEN MACHINE ALL SCRUB

A very concentrated non-foaming detergent designed for use in auto-scrubbers, pressure washers, and mop bucket cleaning applications. There are no butyl ingredients in this detergent and it is safe for use on all hard surfaces, painted or seal coated floors, epoxy coatings or raw concrete. The usual scrubber mixture ratio for use in manufacturing floor cleaning applications is 3%.

Product #016

GREEN MACHINE "M"

This is an economical alternative to All Scrub. It is safe for use on all hard surface cleaning applications and is intended for application with auto-scrubbers, pressure washers, or mop buckets. It is non-foaming and contains no butyl ingredients.

Product #016-M

AT-2L

This Vehicle Cleaner was specifically developed for use in pressure spray or hand washing systems for vehicle or fleet exterior washing requirements. It is safe for use on all exterior surfaces, window glass, rubber or plastic trim pieces.

Product # AT-2L
